EDUCATION

Algonquin College – Ottawa, Ontario

September 2020 - Present

Completed one year in the Mobile Application Design and Development program.

PROJECTS

Cordova Media Player

Created a functional audio media player using html/javascript with the apache cordova wrapper.

RESTful api web service

Using Node.js, express, Mongoose and mongoDB, I created a RESTful api web service.

SPA webpage

Using HTML, javascript and CSS, I created an SPA web page with data fetched from an API.

PWA

I created a PWA using CORS to make API requests.

Number Guessing Game

In C#, I created a game where the user guesses a randomly generated number

EXPERIENCE

Menchies, Ottawa - part time employee

June 2015 - August 2015, June 2016 - August 2016

Worked at menchies part time for the summers of 2015 and 2016. Worked in a team environment and processed customer orders.

Auctria, Ottawa — *QA*

December 2019 - May 2020

Did basic website testing and bug reporting for Auctria. Worked in a team environment and learned how to work in a remote environment.
